
Certificate Of Approval Of A Fibre Reinforcement

ENDORSMENT

The approvals of mat weights of 900 g/m² and above are subject to the moulders demonstrating to the satisfaction of the surveyor their ability to produce hand laid laminates wit these mats

This certificate is issued to the manufacturer named above. The fibre reinforcement described has been examined in accordance with the requirements of Lloyd's Register and is approved for use in constructions built under Lloyd's Register survey.

This approval is subject to Lloyd's Register being informed of any changes in or modifications to the fibre reinforcement being used in accordance with the manufacturer's instructions and the relevant requirements of Lloyd's Registers Rules and Regulations.
